Parenting Matters™

A RESOURCE FOR PARENTS OF ELEMENTARY SCHOOL CHILDREN

invites you to subscribe

to the Parenting Matters newsletter.

The cost for one year is $14 for one year.

Parenting Matters is a newsletter for parents of Elementary School age children. We publish 9 newsletters that will be for a particular elementary school. There may be a few articles that are related only to children in that school, but most of the articles are general parenting articles. Newsletters have articles on parenting issues such as health and safety, homework issues, discipline, self-esteem, food and nutrition, learning, child development, peers, parent-child relationships, reading, handling anger, activities, taking tests, and more.

If this is a gift subscription, please write who the subscription comes from (we send a certificate letting the family know they will be receiving the materials thanks to your generous gift). Should the renewal form go to you: **YES** **NO**

Gift subscription from: _____

If you would like to subscribe, we need you to fill out the information below. Please give us your name, mailing address, and phone number. We also need your child's (or children's) name and date of birth.

Mother's Name_____ Father's Name_____

_____

Address City-State-Zip Phone & E-mail
